“ *RIP to an amazing women. She was like a mom to me. Always so caring and loving. Just all and all a good person. I hate what her family is having to go through cuz i know this is hard especially on april but it helps me a little to know shes up in heaven looking down on her family and watching over them. I love and miss you so much. You were too young to go this early but i know god has his reasons and im sure hes loving having you an one of his angels. My prayers go out to the family. Love you all.*
