“ *Dennis your were a true friend, full of life and never let anything get you down, always there for me, always smiling, and laughing, you had a kind heart. I love and miss you so much. You will always be in my heart, and my thoughts and prayers go out to your family. I'll never find another friend like you, we always had good times together and it's not fair you left this world at such a young age there was so much we had planned to do. I'll never forget you, you were one of my best friends. I think if you every day*
