“ Hello David,

I want to let you know I'm very sorry about your brother. I'm sure it's tough, but you were there for him and he is in a better place. I will not be able to make it by the funeral home and I'm sorry for that. I am thinking of you and Sheila.

Your friend,

“ Dennis and his family,have been in my life for almost as long as i
can remember. His family would come to our house on the green
river and play music on weekends. During the summer.
Lloyd,David,Dennis , and Allen. Gary would play also.mostly I
remember,his laughing and telling jokes. Later in life Dennis would
come to Mine and Janets home and sit at the upright piano,in our
dinning room. And have us mesmerized, What a talent. Dennis you
will be missed by so many, God speed my friend.
