“ *I used to live outside Sebree, and drove down 41 every day to Henderson. I always admired the deep green n purple vine that grew along the fence
I always wondered what it was. Hyacinth bean vine, he told me when I finally mustered the courage to stop n ask. I spent well over an hour there, walking the grounds and admiring all the garden and flowers. He sent me home with a large coffee can full of the seeds for next year and enough touch me not seedlings to make my grandmother proud. Now, there are flowers blooming from his generosity in 4 more yards in Henderson county, 2 in Webster co, 2 in union and at least 1 in Nicholasville, ky. I always smile when I pass n think of that day. I'm so sorry to hear of his passing and I send my condolences. He was super sweet to a crazy stranger that day and I'll remember him always. Here's one small example why ..*
