I feel fortunate to have had Don be a part of my life.Always enjoyed talking with Don and listening to some of his reminiscing about growing up on the east end of Henderson. “ *Dear Sheila,*

I just read of your father's passing. I knew that he had been ill for quite some time and wanted to let you know you and your family are in my thoughts and prayers. Losing a parent is hard, losing both so close together is even harder. This I know personally, but it's wonderful to have the peace that your mom and dad are together for eternity in a much better place.

Love,

Sandy
