“ I've worked around Donna off and on for years at Gibbs. Recently with her. She was a kind and gentle teacher. She helped train me in the job we shared. Always patient. Helping me to stop over thinking and guiding me towards the answers I needed. Her kindness made me want to be a better person. Heaven has another angel.

“ I remember many fun times with Donna when we were young. I hung out with her and her husband. We went to the drive in in Evansville and had many fun times. She was a wonderful, sweet person! I will miss her always! Much love to her family and friends! My most sincere prayers for you all.

I'm so sorry I can't be there to say goodbye. But I want your family to know you were always so kind and beautiful and as a girl 2 years younger I wanted so bad o look like you and have the beautiful long hair . I will never forget you and because of you I will always get my flu shot and make sure I tell everyone I come in contact with to do the same . Rest In Peace sweet Donna , your legacy will live on .
