“ *Paul and family,
Dodie was a sweet lady. I enjoyed not only working with her at Methodist Hospital for many years but treasured the friendship we developed over that time. She was a genuine person with a heart of gold. I will always remember her funny stories, the times we laughed together and times we cried and prayed together in the tough times too. No doubt she is rejoicing in Heaven free from pain in a glorified new body and we will see her again someday. Prayers to you all for peace and comfort now and in the days ahead and that you will feel the loving prayer support of all who love you carrying you through this time. God bless.*

“ *Dodie's smile would light up a room and she never forgot who you were . Years and life changes would separate you as friends ,but that was quickly changed the moment she saw you. I am thankful for her friendship . She will be missed . The Heavens are brighter . Betty(Turner) Nelson RN*
