“ *Aunt Doris always made sure I knew of up coming family get togethers. In the past few years I had been able to fry a turkey for her at thanksgiving. She was always greatly appreciative of it. It was my pleasure to do this for her, she has done so much for so many. Any how I was able to save the day for her once, the turkey she had planned for thanksgiving had gotten old, she had my fried turkey. I still have the note she sent afterward. Sorry having tears at the moment. Love to all/*
