“ *I remember meeting Doris in 1974 when John and I would travel to beautiful Henderson , Kentucky. Your mom was such a lovely energetic lady. I felt welcomed and thrilled to have met another Whitledge. She truly was a classy individual. It was because of her that I took such an interest in antiques! God bless her as she has now found peace and lives in a better place. Prayers. Lynne Whitledge.*

“ *Dana, I have many fond memories of your mother in Henderson. She always greeted Annie and me with a smile when we came in the door. Your mother wrote Mother not too very long ago about the happy times they spent together in Henderson. It was such a sweet letter. I am so very sorry for your loss and I'll be thinking of you all during this difficult time. 🙏 Kathy Assmar Anderson*
