“ *Dorothy was my great aunt she was a ray of sunshine I was always (abbie howard) was thought highly of me I will forever cherish the memories of her and her twinkling spiret that lifted up the whole family R.I.P I love you*

“ *Dorothy was a neighbor, a friend and a ray of sun shine to our family.
She would watch over our and other children as they played outside growing up.
Often she would bring my wife a wonderful glass of delicious sweet tea when working out side in the yard on hot summer days.
Each and every time one of our son's was listed in the Gleaner for scholastics or athletics, she would always present the article to us in a manner so it could be preserved and shared with their children.
We will miss our neighbor, our friend, Dorothy, very much but will always have a part of her in our lives.
With kindest regards,
Alan, Allison, Kyle & Ethan Wilson*

“ Not sure if other memories posted..hope this isn't a duplicate but we have SO many fond memories of "Grandma Dorothy " who so graciously accepted us into her life. The closet with all the toys in it, your stack of books always nearby, watching the Christmas parade every year from your front porch, your wonderful cooking and that famous sweet tea. Your humor and advice were the best ! Your beauty (inner and outer) and that twinkle in your eyes will never be forgotten. It's sad that Rachel's son won't ever get to experience your unconditional love. You will surely be missed
With all of our love
Camille and Rachel
