“ *When I think of her.....there will always be a smile on my face for I was truly blessed in knowing her.....there may be tears, only because her earthly warmth will be missed. I will cherish the smiles and the tears for her person truly enriched my life.....and I will embrace her memory with them both.*

To her family: Thanks for sharing her love with me.

“ Gary, Jean, Nancy and families, I am so sorry to hear of Dot's passing. I have so many fond memories of growing up in Corydon and knowing all of the O'Nan family. Dot always had such wisdom and a beautiful smile. There is no way I can be there today although my thoughts and prayers are with each of you. Ronnie & Charlotte Raymond

“ Aunt Dot would tell Nancy and I that we could not eat food in the bathroom (our favorite hideout) because we were feeding the devil! Of course we did not want to feed the devil and ran out. That was her way, as I look back over the years, that it is just down right unsanitary!
