“ *Dorothy became part of my life in November 2015. She stole my heart with her sweet gentle kind heart and voice. She worried about others at the center. When I speak of Randy or her granddaughters her face would light up. She also would talk about her sister Lois sending her chocolate cover cherries and other snacks. She would always offer them to everyone. I could go on and on. I will keep the family in my prayers. We lost a wonderful lady that touch many life's but ... At the same time God gained an angle that he needed more. Tammy Singh Twin River Nursing and Rehab. God Bless*
