“ *Daddy, you mean the world to me, it doesnt get any easier as the days go by, i constantly want to cry. I wish you would have stayed longer, I still need you, i miss our talks and text everyday. You were my rock, my hero, my daddy. I cant believe you were taken away, it still seems like yesterday. Im glad your no longer in pain, you hid it well, always saying you were okay...i wish you would have told me sooner how bad you were, i would have been at your side sooner. You always told me you were alright. You were always there for me, no matter what.*
