“ *Doug will be greatly missed. I'll never forget all the spontaneous trips we made with Trish and Doug. He always took us to some amazing places never knowing where we would end up next. He was an amazing husband and father. He always made his family top priority. He loved Trish with all his heart and Booter, Josh and Jamie. His grand kids lit up his world. He was an amazing friend and very hard worker. He will truly be missed by many. Rest Easy Doug..*

“ Our Prayers and thoughts go out to his family. I know it's devastating to lose a loved one. God called him home, and gave him his wings to be with all his other Angel"s. He and William, worked with my husband Terry, and they became a big part of the family. Terry is really sorry he can't be here for the service. But the ones who know, he is finishing up the water tank, he sends his deepest sympathy. May you R,I,P our friend, you will be missed, The Banks, family.
