“ Knew her as Dru-by doo! A Momma that everyone wanted to be a part of. She was classy, but yet, down to earth. Leesa, Terry, Rob, Bob and extended family, my heart aches for your loss. Blessings and Comfort to you as you journey through this passing, there's another Angel in Heaven. I can only wonder, what kind of ruckus is going on now that she's traveled the veil and met up with so many other friends and family that have gone before her.

“ What a lady! I worked with Drew for 10yrs at Ramada Inn and attended my first Mary Kay party at her house. She was a classy lady and always looked like a million dollars. We had a lot of fun over the years and it was so good to run in to each other around town. Thoughts of Drew, will bring fond memories to everyone that knew her. Speak of her often to Leesa and Terrea, they will need to hear name. With much love and admiration, Jonna Meyers❤️

“ I remember all the times spending the night and hanging out in the basement listening to music , my mom always called Drue to make sure that was where I was really going. Drue always made sure I did what I was told. I remember how much I loved eating there. So many memories and so much to be thankful to of been a part of that family when I could. She will be missed but be in so many hearts forever ❤️

“ I have always loved Dru... Every since I met her, when my dad married Leesa. When I was young I used to go to her house on the lake and fish, swim, and ride scooters. I always had so much fun and made good memories. She loved and treated me like her own grandchild. Throughout the years I got to bear witness to her kindness, blunt humor, and wonderful personality - I always loved to be around her. She truly was a one of a kind lady. She showed me that she cared by listening when times were tough for me and for that I will always be grateful. I loved her very much and she will be missed beyond measure. I bet heaven is beautiful - fly high angel.

“ I was one of those friends of Leesa and Terrea that Drew helped raise. Spent many hours in their basement when they lived in Clay. I hAve a few memories that I am not going to share on here because we still may get in trouble...lol. Drew kept me out of most of the trouble and even called my mom one time, when I grew up, I was thankful she did. Fly high Drew and hugs until I see you again when I get my wings and join you.

“ I worked with Drue at Ramada and we became instant friends. So many memories of our talks. Larry would say when she came home later than usual that Nancy must have relieved you because you're always late when Nancy works. Love her so much and will never forget your sweet moma and my friend. ❤️
