I know you are in a much better place with Michael, and Shannon and the rest that has passed on in our family. We will be together again one day. I love you Son.*

This hasn't been an easy year, well let's just say it's been worse than ever. My life hasn't been easy since 2018, but of course you know that, you have suffered just as much as I have. But the change is, your not suffering anymore. I miss you everyday right along with Michael. Son I still don't understand what was going through your mind at the time, and I won't ever know, I feel in my heart that you didn't mean to do this. I have traveled a different path this time and my prayers was answered. I'm still not understanding on the way life happens the way it does, but Jesus is helping me walk through my journey of life. Your free now and all new, no more living with pain. I know your in a better place. I will be with yall again one day and I'm looking forward to it. I'm not afraid anymore. I love you,

He always had his ways to make you smile and laugh, no matter what kind of mood you was in. Could come up with some funny off the wall statement just right off the top of his head , didn't need no time to think about it. It still doesn't seem real to me, but I know he and his brother and my sister are with me. I love and miss y'all, til the time comes for us to be together fly high
