“ I am so very sorry for your loss Russell....for you and your whole family. I always thought so highly of your Mom; your Dad too. She was a lovely person. Prayers for you all as you go through missing her, and carrying on the good works she started here on earth. I know she is so proud of you, and your family. I am thankful she is rejoicing in heaven now....with your Dad and many others who have gone before her. We are praying for each & every one of you and sending our love.
