“ My thoughts are with all of you at this sad time! I know you'll never stop missing your dad. He was a great father, a loving and devoted husband, a hard worker and so much fun to be around! He and your mom were such a blessing to our family when Mom was so ill towards the end of her life. They sat with us day after day and that brought so much comfort to us. We wish we could be there with you. We're there in thought and prayer. Aunt Joanne- it's at a time like this that words are inadequate. The two of you will be together again for all eternity! Sending love and prayers to your entire family!!  
□ Hugs! 🥹
