“ *I will always remember Gary for his chuckle and his ability to keep a straight face when pulling your leg. Gary loved to make jokes and laugh. Gary had cancer , but cancer didn't have him. He fought with everything he had. My desk at work sits at an angle from Gary's and it hasn't been the same not seeing him in the afternoons. His presence has truly been missed. Praying in the time to come peace for his family & friends. 🙏❤️*

Oh how I missed my work buddy and will continue to miss him for years to come. He would brush or comb his hair and I'd come by and mess it up just for the hell of it. And oh how he loved hiding and eating those All American candy bars!!! I can't forget how I always knew he was at work because he always smelled so good. My Gary Bell was definitely one of kind, Just like you are My Stacey JoAnn you two were definitely made for each other. Two of the sweetest, kindest, loving people I've ever met. You two will be together again someday in heaven. You all have my deepest sympathy and are in my prayers.
