“ Michelle,
I'm so sorry for your loss. It has been a long time since we worked together, but I wanted to let you know how sorry I am. I am also quite certain Gary would not have survived as long as he did without the tender loving care of you and the rest of the family. Prayers for you and your family during this time.

“ I was honored to stand up in your wedding, and wish with all my heart I could be there for you and your family during this time. While there are no adequate words to express what is in my heart, just know that I am praying that His peace wraps you up and holds you close during the days and weeks ahead. May you always feel His presence in the darkness and see His light ahead of you. ~Faith Rich-Fidler
