“ I am so sorry for your loss. I worked with Dr. Berry for seven years at the VA Outpatient Clinic. His love of opera was well known among the staff and he willingly shared his knowledge of the beautiful music. I have many fond memories of Dr. Berry.

“ Fellow members of the Unitarian Universalist Church of Evansville are saddened to learn of the passing of Frank, who was one of our major supporters. Because his attendance at church services was infrequent, few members knew him well. i was the exception. Frank and I often drove together to see the Louisville Opera. We would have lunch beforehand. Thus I got to know him well. I came to respect his wit, wisdom, and intelligence. We were good friends
I will miss him. Ed Howard, Pres. UUCE
