“ *Georgia was part of our choir at San Mateo High School. She was the one that kept us in tune when we needed it. She was also a good friend. I had the pleasure of driving her and Rich to Reno on snow covered roads to get married back when Rich and I were shipmates on the old USS Blue. We also kept in touch by email from time to time but return email stopped early this year. I found out why when I met with her sister at the 1950 graduation class reunion this month. My best wishes go out Rich and the family on her passing.*
