“ My deepest sympathies go out to the entire Stovall family. May God grant you peace.

*I have many fond memories of Jerry and time spent with the family. It was always fun to watch and learn as Jerry worked on race cars. I remember Jerry in the living room on weekends watching NASCAR, like it was yesterday. It was always a pleasure when Jerry and Coby allowed me to tag along with Len on the boat. These are memories and stories I share regularly and will remember for life.*

“ Jerry was my brother-in-law for most of my life, after he married my Sister Cobina. He was always welcoming and hospitable when I visited or, had the opportunity of having him to my home. There were so many admirable and likable things about Jerry. A few things I will always remember are:

- 1) He always said his purpose in life was to take care of Cobina...and he was serious.
- 2) He always said to me when I came to their home, "welcome home". Oh, that was the best feeling of welcomeness and comfort..
- 3) He loved party lights and bright roaming lights at Christmas.
- 4) I always found him forth write and sharing of his feelings and his short comings.
- 5) During the last 4 years he always talked to me about his trespasses on others and trusted there was true forgiveness for this. He will be missed!!!

Most certainly I know he is out of pain! And, I only have faith he is mixing company with others he loved whom have passed before him, and Jesus.

My deepest sympathies to my sweet Sister Coby, for the loss of your husband and life companion.

My dear Nephew Len and his wife Ginger, for the loss of your Dad. And, my beautiful great Nieces Emma & Salle for the loss of you Grandpa.

May God bring your hearts peace and calm.
