“ *It has been several years since we visited Giman and Betty in the Nursing Home in Henderson, but we had visited Emma Jean since then. This is just a short note to express our sympathy to the family on Giman's passing. May you find comfort in knowing that Giman was a good person and has now gone to his heavenly home. Sorry that we are such distance away that we are unable to attend his graveside service.*

God Bless each of you.

“ Gian...just a note to express to you and all of your family my sorrow
in hearing of your father's passing. I remember so well he and your
Mom on their front porch on Willow Drive when we went to visit The
Choats that lived next door. They both were always so friendly and
kind (and such a pleasure to talk with). You could tell they enjoyed
each other and life in general. It is one of my best memories of
people's parents I have. So sorry for your loss.Kathy (Patterson)

*I did not realize you were Kent's cousin (or forgot it in my old age!). I
love him, too! Such a good man.*

“ My dad has sit across from your dad in the dining room of the VA Center since last May. He was a kind quiet man. He never said alot to me but always smiled and was very friendly. Last summer he spent time outside and seemed to be content. I asked daddy if he had been sick but as far as daddy knew he wasn't. Daddy said he came out the day before he died as he normally did. Roy Laster sit with them too, and Roy has moved to the new building and my dad is scheduled to move before long. One day i asked Mr Hall if he was going to move and he said No, i am 90, i won't live long enough to move. Just thought I would let you know. My dad is Calvin Mooney--Room 108 Truman Will keep you all in my thoughts---Rita Stone

“ Giman and Sue lived across the street from me and my husband. They were wonderful neighbors. When my husband passed away in 1964 they were so helpful. they visited me one afternoon after I moved to Indiana and I saw them two times after that in Henderson. I will always have kind memories of them.
