“ Dear Rick, I am so grateful for the time you have been able to be here to spend time with your parents and I can't imagine how glad your Mom was to have you home, especially since your Dad's passing. I am sad for your loss and am praying for you. I didn't know your Mom but from reading her obituary and seeing her smile, I know I would have enjoyed talking with her. May she rest in peace and may light perpetual shine upon her.

“ *Ricky, I did not know your mother, but I remember how she and your father supported your fine arts desires. They were at City when you were in the plays. They seemed to be all in for your dreams. To me, that is the role of parents. You seemed to have the best. God bless you with peace and beautiful memories*
