“ *Glenda and I became friends at an early age and the majority of my childhood memories include her. I was so blessed to have grown up with such a loving and giving friend who could find the silver lining in every cloud, and spread joy with her radiant smile.*

Although I had not seen her for several years, thanks to Vicki, I got to see her briefly at my mother's funeral in January.

Glenda and I were Saved on the same night, and baptized together, at the Baptist in Baskett, KY, and although I know the loss of a loved one is painful, there is comfort in knowing that she is at peace and home with our Lord Jesus Christ.

Love to all,

Thank you so much, Linda! You summed up the words to describe Glenda in such a beautiful way that Bro. Keith used this as the opening words for Glenda's funeral. So many special memories of you and your family. Thank you again for taking time to write this heartfelt message!

“ I thank it was the 3rd grade we met. Then her and my sister became friends and my mother was friends with her mother. She was at our house a lot and we were at her house a lot. Glenda would probably tell it different but I'm sure her and my sister used to work at aggravating me. Ok I did some aggravating also. Only good memories come from her. I seen her a few years ago before she was sick and remarked to her how good and happy she looked. She responded she was happy. What a nice way to remember someone. So happy to have been able to have spent a little time with you. Condolence to Doug and Vicki and the rest of her family which is numerable. You will be missed.
