“ *Each new life... No matter how fragile or brief... Forever changes the world.*

How very softly you tiptoed into my world Almost silently; Only a moment you stayed But what an imprint your footprints have left on my heart

The best and most beautiful things in the world cannot be seen, nor touched, but are felt in the heart. -Helen Keller

A life may last just for a moment, but memory can make that moment last forever.

*Jesus said, “Let the little children come to me, and do not hinder them, For the kingdom of heaven belongs to such as these.”
Matthew 19:14*

Beautiful memories silently kept of a baby we love and will never forget

My deepest sympathies to my nephew Kain Brown and niece Shelbe Headrick. I am so sorry for your loss. I love you and we are here for you always. Greyson Ray Brown you have left an imprint on my heart that will never be forgotten. I will always keep you safe there.
