“ *Gwen, You have always been a true friend and we shared so many good times. You have been like a sister that I never had. I know the last few years we haven't seen or visited each other much but you have been in my thoughts and prayers. I have always been honored when someone thought I was you and it was just last year someone mentioned they missed me doing their taxes. I will always cherish the friendship we had and the memories we shared. Betty*
