“ I got the pleasure of caring for this man and meeting his beautiful wife. I grew an amazing relationship with the two of them. Consider them family and I'm heart broken to now be without one of them. Harry I promise to keep in touch with Jo and take great care of her as I did you. Although you are no longer physically with us I know you are pain free and watching down. We love and miss you Harry I don't know who's going to give me a hard time now and keep up with my sarcasm like you did! Love Debra
