“ *Helen and Charlie were great neighbors. We shared many many conversations across the fence. Helen would call and check on us after she moved. I always enjoyed hearing her and Charlotte the neighbor on the other side share gossip. I would kid her and tell her not to talk about me. She will be missed by us and many others. She was truly a great lady!*

Charlie and Helen were good neighbors. I watched all of her grandkids growing up. There was much love there and if they did anything wrong she would not waste a breath telling them. She would watch my little dog when my husband was in hospital. Her, Charlie, Eddie, my mom Tona and myself would play 31 Charlie and Eddie would laugh when they beat us. Great times and she will be missed. Helen, you can make Jody mind for me. He always liked to slip over there. 🌹🌹🌹🌹

She had the best neighbors. We love y'all. Many memories playing in her yard. Tim and I would race up and down that fence and play volleyball. Great memories.
