“ *I'm very sad, I didn't know about her passing till close to 2 eastern time on Sun. & I'm in Jasper, IN. I sure would've been there had I known earlier. She was very special to me. I visited her pretty much when I lived at Pebble Creek. I moved away this past Oct. from Henderson. I seen her not long before that. I wish I had known she was so close to passing.. I would've tried to see her also.. I was even there last Wed. at Henderson...:(. I enjoyed her friendship. I liked talking to her, & her sweetness, her Spiritualness & sense of humor. I miss her. I have prayed for you'll. Sincerely,Marvelda*

“ We moved back from Hiopkinsville when I was 15, and Hilda was our landlord. I loved her so much. She ran the resturant there, Rockette, I would work part time with her. It was so much fun, I learn so much from her. Never forget the pizza burger she always fixed me. and the juke box. Oh my goodness it was so much fun. and Kevin was like a brother to me.. we hung out together as well. Remembering laying on the cars looking up at the stars and day dreaming and talking. Such great times there.. Seen Hilda abt 1 year ago at the seniors citizens dance even danced with her. she could out do me anyday, but she always had a smile and a little chuckle.. it's hard to believe she was gone.. will always miss u.. and u was dearly loved..

“ With Hilda and Mother being best friends, some of my earliest memories are of time we spent together. All the memories are good of course. Hilda had a way of making everyone feel special and I know you and Kevin feel you were very fortunate to have a her for a mother. Love from our family to yours during this difficult time.
