“ *Mom...I miss you so much! I miss your voice, your "Timeless" scent, your laugh and your daily phone calls. You've been such a good mother and friend to me and I will forever be grateful for the time that we had together. I'm so glad that you aren't in pain anymore but more than that I'm so happy to know that you're in Heaven, where I will get to see you again someday. I know that you are whole and happy and pain-free. Although my heart is literally broken from the loss of you, I smile when I think of you because I know that you are happy. Give Daddy, Mike and especially Jesus a hug for me! I love you Momma....*
