“ *Dear Teresia,
My heart ached when I read the paper that morning. I will never forget the way J.L. would look at you in the hallway at County High. My goodness, I had never known of any two people who loved each other as deep as you two did and have, and I still don't. Another early memory is when he played a drum solo for us one evening. Man, was he loud...Good...but loud! This many years later and he still brings a smile with the memories.*

*Love,

“ J, it was a pleasure knowing you. I'm gonna miss your distinctive voice and always a smile for everyone you met. You were always a good listener and ready to give advice if needed without being pushy about it. I always enjoyed talking with you. Gonna miss you and our stories about the truck driving days, you with A&H and me with Roadway. Your gonna be missed by so many people especially your loving and caring family. We'll meet again someday my friend, in the Glory Land our Lord and Savior is preparing for us.
