“ *My daddy was the best man alive. He took me and my brother under his wings and taught us a lot about life. He taught us to drive mom says i drive crazy like him. He even tried skateboarding that didnt turn out the way he thought. His feet ended up above his head. He tried not once but twice and both times he ended up with his feet above his head. You couldnt ask for a better dad. I miss him so much and all i need is him to hug me and tell me everything is gonna be ok.
I love u daddy so much and my life will never be the same with you not here.*
