“ I only met Jim and his wife one time. We connected right away because we had all been to Poland. Great fun talking with Jim and his wife about the wonderful country but the best part we were in the same city ...Warclaw. We were amazed and praised our Lord for letting us meet. And enjoyed hearing about their wonderful daughter that was living in Warclaw. I feel So blessed that God brought us together even though it was one visit. Praying for peace for family but I know Jim is dancing with Jesus today!
