“ *I have had the pleasure of knowing / working with Jim since 1978. Jim, of course had a excellent work ethic, which of course shows just a part of his pride. Through the many years I knew Jim, you could always depend on him for not only a job well done, but was done in a way that he had to meet his own high expectation. I worked with Jim as a peer, for he trained me to operate a crane in the Casting dept. (when I was 20 yrs.old), and as a supervisor for the last 5 yrs. of his career. However, what Jim Roberts leaves with anyone that he knew, was a man that cared for and talked of his love of God and family. Jim had so many friends at work, he will be remembered as a true gentleman.*
