“ I have so many wonderful memories of Jane. She (and of course Mary Jane) have always been like a part of my extended family. We have been through a lot together. And of everything, I most remember the laughter. Being with, and around, Mary Jane and Jane almost always included a time when we laughed so hard, we cried. I am so thankful that we KNOW where Jane is at this very moment. I am thankful she joins Bill, Danny, and many who have gone before her. Yet my heart hurts because we will no longer be able to see her, hear her, and laugh with her. And at the same time I rejoice in her peace and her presence with the Lord. My prayers are with the family. And my dear Mary Jane, I am holding you up in spirit with my love, and my prayers.
