“ *I remember Grove family reunions at Aunt Ida's home. I think my mother, Ethel, stayed with Aunt Ida when my brother was born. And that Janie's sister, Dorothy, went to stay with my mother when I was born in Covington, Ky. Mother was always very fond of her Todd nieces. Our deep sympathy to all the Todd family.*

“ *My thoughts and prayers are with you all. My fondest memory of Jane Ellen was when she did the jitterbug at mine and Marion 's 50 th wedding anniversary. Love you all*

“ My one regret is living so far away from aunt Jane and the rest of the family. From the time that I was very young, my favorite time of the year was when we would travel to Kentucky or some of Dad's family would come to stay with us. I would stand out in the yard and wait for hours for them to arrive. Aunt Jane was always very dear to me and the memories I have of her are too many to mention. When we went to Kentucky, I spent most of my time in aunt Jane and uncle Jim's home. I was always welcomed with open arms. Bobby, Tootsie and I were very close in age and we had such good times. I haven't seen too much of aunt Jane recently and I regret that. I stayed with her several years ago and she was still planting a garden, moving the lawn, and caring for her home. We had a wonderful visit then and as usual she was the very gracious hostess. I will miss aunt Jane, her little mischevious streak, her sense of humor, her laugh, and all the good times we had, but the memories and love will go on forever. I send my love to all of the Family.
