“ I along with Keith, Brad, and my sister Sandy are some of the best pantominers of The Beatles, if anyone doesn't know it. We spent many hours pretending we were singing Beatles songs while Pete and Janet and Momma and Daddy (Uncle Albert and Aunt Millie) played cards on the weekends. We sure had lots of fun and Janet and Momma would always have lots of good snacks for us. Made many precious memories there. Many prayers for all of the family. Praying God will comfort you during this difficult time.

“ Keith & Brad when we were young I spent alot of time at your house. Had lots of fun. I am sure Janet got tired of me sometimes, but she never showed it. I wouldn't take anything for those memories. A great lady and a great sister inlaw.

It was always a joy to see her every Friday night at Echo Lanes where we bowled. Always had a smile to share with every one...
