“*Jan was my Big sister and friend for 45 years. we shared many good times at flea markets lunches out ,bridge , working on geneology, and she basically was my go to gal in good times and bad. She was there for me; encouraging me to hang in there no matter what. We exchanged Birthday and Christmas gifts for over 40 years . I loved her smile and wit. and her sweet slow voice. She will be in my heart always.*
