“ *Janie and Jewell were my parents next door neighbors for many years - and they were the best neighbors anyone could ever have. They stopped in to visit/check on Mom and Dad every day. I'm so glad we were able to visit Janie just a few months ago when we were in Kentucky - she looked so good and was so gracious. I'm sure she will be remembered as a truly good person - one who would always do what she could to help others.*
