“ *JD was the best next door neighbor anyone could ask for. We greatly loved having him in our lives. We miss him more then words could ever say. His smile was so infectious. He made us laugh to the point of tears. He truly was such a character. I remember the time we stood outside talking for about an hour about nothing but food and that night we heard a tap on our door. He brought over some pork tenderloin. He gave us the biggest brightest grin and was so happy to share. God only knows how bad this hurts. He had such a beautiful soul. My heartfelt sympathy to each of you. I'm so so sorry for your loss. -Michael & Jazmeine*
