“ *I'm just now finding this and seeing this as I don't see the family much anymore... but my heart goes out to the family Joan Breedlove was an amazing woman that I called my grandmother. I should have visited her more .*

She was very wise in her conversations and talks with me. She reached out to me few years ago to let me know she still loved me and never judged me and gave me one of her wisely conversational talks .

She was an amazing loving woman . Also cheerful and bubbly . Loved family regardless what the circumstances was . She never judged that's what I loved most about her .

I remember always visiting her and grandpa when growing up and even when driving . I loved just going over to her house and just talking with her and grandpa.

I love you grandma and heaven gained a wonderful woman .

My condolences to all the family my heart goes out to you all and I'm praying for you all. -Neecee- aka Denise

“ *Joan was a wonderful hostess. She made everyone feel welcome regardless of the setting. As an adult I have visited more in her home. Regardless of the time I always felt welcome. The more people around the better. She will be missed by so many people. My sincere sympathy to Dennis, Mark, Gena, and Shelly.*

“ Gosh I can't even begin to say how much she was a part of my life and how much I loved her - basically she was Mom #2. The absolute fun we had playing games around the dining table and the fun we had at Uncle Sonny's. I remember going to Breedlove gatherings and felt like a part of the family. Mrs Peckenpaugh, Joan now that I'm not a teenager has been a part of my life for almost 40 years. She was a sweet soul and loved her family dearly. I have some great memories because of her.
