“ God looked around his garden and found an empty place, He then looked down upon the earth and saw your tired face. He put his arms around you and lifted you to rest. God's garden must be beautiful, he always takes the best. He knew that you were suffering, he knew you were in pain, he knew that you would never get well on earth again. He saw the road was getting rough, and the hills were hard to climb. So he closed your weary eyelids, and whispered, Peace be Thine. It broke our hearts to lose you, but you didn't go alone. For part of us went with you, the day God called you home.  
Going to miss you so much and miss all our phone conversations. I'm so blessed that you were in my life. Till we meet again!

“ my mother was very loving sacrificial mother, grandmother(nanny) and great-grandmother(great-nanny)'She lived alot of her life through her children and grand and great-grand children.If she had been in better health most of her life i trully beleive she would have been more outgoing.others were always on her heart and mind more than herself and her personal pain or heartache.God and jesus were #1 priorities she knew we all must realize we needed while going through this lifes journey and into the enternal journey.she enter that other journey with ease and peace and i thank jesus for that.shes with her mother now that she hasnt saw since was 16,and many brothers and sisters and especially jesus.enjoy your new painfree life mom.I will see u again one day and be able to enjoy it with you.Love your oldest daughter Sheryl.
