“ Frances, I have known your Dad since we grew up on South Main Street in Henderson. We went to Murray State at the same time, were in the same Fraternity, and fished in the Ohio River since we were kids.

I know that you are experiencing a profound loss. I loved you Father very much even though we were not that geographically close, lately.

Your Dad was one of the most sincere, and hardest working people that I have ever known. I will miss him, greatly.

Steve is with the Lord.

“ *My Dad. He was the person who everyone loved and adored. Before he passed, I had so many people tell me how sweet, kind, wonderful, loving and sometimes even inspirational. He loved people. He wanted to be around them as much as possible.*

I love my Dad. I know he's with my Mom now, and that's where he belongs.
