“ *Lover, So much of me is made from what I learned from you.. You'll be with me, like a hand print on my heart. I find as the days go on, I still need you more and more.. I know you are watching over me, but I wish everyday, you were still here. I miss you so much! Rest in peace and know i'll love you forever!*

“ My friend found this song and sent it to me. by Brantley Gilbert " Saving Amy " It's like the words are your words. I could almost feel you here with me when I listened to it and hear you say, "Babe it'll be ok. You'll make it through this. You ARE strong enough, even though you don't feel it. I love you.".....
I am falling apart inside, just like Amy. I miss you soo much!

“ This man would give anyone that needed it the shirt off his back. He was a very good man and was glad to call him family. He will be missed. We went on vacation with John to Myrtle Beach and he had the best time ever. It was his first time getting to see the Ocean. The look on his face was priceless. He had the best week every there. He always talked about going back but we never did get to. But i was so glad to get that week with him to somewhere he had always wanted to go. I will never forget the good times we had with him. Even if it was a ride to Ky Lake or our trip to St Louis he always enjoyed his self. I was glad to be a part of it. I will always love you John. You was like a brother to me. Love you!
