“ *We have some wonderful memories of Joe that will always stay with us. On 4th Street we always knew when Joe had the barbecue out as the whole street was full of smoke. And always loved that little grin on his handsome face. Loved the times when we would all sit out in your yard and chat with all of our dogs. Loved teasing him and watch him grin. Joe was one of the most special friends we know. Love you both so much. I know your boys will be there for you and they know how close their Mom and Dad were. Love and miss you both.
