“ *I had the privilege to be Principal at Seventh Street in the years just before Judy retired. She was a true professional in everything she did. Seventh Street was a better place because of Judy. She truly loved the kids, and relished a good laugh. I relish knowing her.*

“ *Judy and I went to high school and community college together. She was one of the nicest people I have ever known (always kind to everyone). I'm sure she meant so much to all those second graders who needed someone like her on their side.*

“ I am so sorry for your loss! I remember speaking to your mom each time she would visit our Sunday service when in town visiting you guys. She was such a pleasant lady to talk too even though I was somewhat of a stranger to her. I am sure she is now with our lord in heaven and knowing that makes it a little easier to except. I am sure our church family would love to be with you to help through the grief and give you both a great big hug. Your friend. Richie Havens
