John, John William and Stephanie, Wayne and I just found out about Judy...we are so sorry for your loss!! As you probably remember, Judy was the first person Wayne hired as his loss prevention officer at Cook's. I worked there, too, and she was the BEST!!! My memory of Judy is that she made the best pimento cheese I have ever eaten!! Also, I always loved the perfume she wore...I think it was Most Precious. Years have flown by since we last saw Judy, but all of our memories of her are great ones...she was very nice, very understanding and loving and a great person...but you already knew that.
