“ *Although your time here was limited, the love you shared while you were here will never end. The imprint you have left on the hearts of those who loved you is the best kind of love, agape love, unconditional . In Heaven, we are told that there is no sorrow, there are no tears, those are for us here on earth, only to experience for a time. We are comforted by knowing you are with Wyatt, and Jesus is holding you both. We, who are still here, will take time to mourn, take time to heal. We will take time to smile, feel love in our hearts, and to laugh, for that is what you are doing now, in Heaven.*

*Love,
your great aunt Janet*
